

Faculty employment Opportunity – Associate or assistant professor (Electrical and Electronic Engineering): Hamamatsu, Japan

Description:

The Graduate School of Engineering in Shizuoka University invites applications for a faculty position in Department of Electrical and Electronic Engineering (http://www.eng.shizuoka.ac.jp/en_introductions/department_2/), at the associate or assistant professor level, beginning on October 1, 2014.

Contents of work:

The successful candidate will conduct research and teach several subjects in Electrical and Electronic Engineering in English. Furthermore, the successful candidate will teach "Academic English for Engineering" that focuses on technical writing, reading, speaking and listening in English. The teaching load of "Academic English for Engineering" is at least two classroom courses per year. The services include the cooperation with others in developing international exchange programs in both undergraduate and graduate levels.

Qualifications:

- 1) Applicants should have a doctoral degree and a substantial record of publications in the area of Electrical and Electronic Engineering.
- 2) Applicants must be non-Japanese and are capable of offering courses in English.
- 3) Preference will be given to those applicants fully qualified at the associate professor level. However, the assistant professor level may also be considered for promising candidates with satisfactory qualifications.

Treatment:

The appointment will be made on a three-year fixed-term contract basis. This three-year fixed-term contract is renewable, only upon mutual agreement, in the form of either a non-renewable two-year fixed-term contract or an indefinite-term (i.e., tenured) employment. Remuneration is commensurate with qualifications and experience, according to Shizuoka University Remuneration Regulations.

Deadline for applications:

May 31, 2014

Application materials:

Applicants should send all documents in PDF formats by email.

- 1) Cover letter
- 2) Curriculum vitae including the applicant's email address and ID photo
- 3) Copies of selected papers
- 4) Statement of research and teaching interests (max 2 pages)

5) Two letters of recommendation.

All application documents, which are used only for selecting a qualified candidate, will be destroyed after making the final decision.

Email address for submitting the application:

Prof. Hajime Sakata

Department of Electrical and Electronic Engineering, Graduate School of Engineering,
Shizuoka University

Email: tkoabo-e@ipc.shizuoka.ac.jp

Selection process:

Shortlisted candidates will be asked to visit Shizuoka University for interview and lecture. The final decision will be made shortly after the interview. Applications should be submitted by May 31, 2014.

Where to make contact:

Inquiries should be directed to Committee of foreign scholar affairs (Prof. Akira Nakayama).
